About us

EnviroCollective Network Inc. is your community's hub for practical, people-powered climate action. We exist to create a nonpartisan space where collaboration thrives and solutions take root. By connecting organizations, businesses, and all levels of government with an engaged public, we help amplify the work already happening to address climate change.

Our focus is on shared values, not political divides. We empower supporters and partners to elevate the concerns of their communities and champion fair, effective, and sustainable climate solutions. Every voice matters, and every contribution strengthens our collective impact.

Together, we're building a united front for a healthier, more resilient community.

EnviroCollective recognizes and acknowledges the homelands and unceded territories of the Nêhiyawak, Anihšināpēk, Dakota, Lakota, Nakoda, and the homeland of the Métis Nation. We recognize that EnviroCollective is largely located on Treaty 4 and 6 territories and that as an organization we are committed to honouring the spirit and intent of these treaties. In acknowledging these lands, our relations, and these Nations we reaffirm our commitment to action, relationship, respect, and reciprocity.

DONATE TODAY

The EnviroCollective thrives through a sustainable social enterprise model. We gladly accept larger donated items, giving them a second life through expert refurbishment and resale. From outdated electronics to repurposed COVID shields, every contribution fuels our environmental mission. Ready to donate? Email us at info@envirocollective.ca. Additionally, we accept recyclables at any SARCAN Drop and Go Kiosk, search "Enviro".

Regina's Repair Cafe

Repair Café

Toss it? No way!

REPAIR CAFE'S ARE 10:00 AM TO 4:00PM

BOOK APPOINTMENT

BE A REPAIR VOLUNTEER

Notify Me About Upcoming Events

A Repair Cafe is a Pop-Up community event where people can bring broken or damaged items to be fixed for free by volunteers. The goal is to promote repairing and reusing items instead of throwing them away, which helps reduce waste and encourages sustainability. The EnviroCollective Network is committed host numerous events throughout the years

SCHEDULED LOCATION FOR REPAIR CAFE

2026; November

Sunday November 8th – Glencairn Neighbourhood Recreation Centre

---

Volunteers at a Repair Cafe might have skills in fixing various items, such as clothing, electronics, bicycles, small appliances, and more. It's also a great opportunity for people to learn how to repair things themselves

Fostering Community Engagement

Repair Cafés naturally bring people together, creating a sense of community. When individuals see their neighbors participating in sustainable practices, it can motivate them to get involved. The hands-on nature of these events makes climate action tangible and relatable.

Sign up for our Newsletter

Raising Awareness

By demonstrating practical ways to reduce waste, Repair Cafés educate attendees about the importance of sustainability. Participants learn about the environmental impact of their actions, which can inspire them to adopt more sustainable habits and explore further climate-related activities.
